## Unlocking your data card easy

- DC unlocker is a program specialized for data card unlocking .
- It is the first universal data card unlocking product worldwide.
- It is fast ( takes 5 - 60 seconds to unlock), easy to use and functional program with clear interface.
- It doesn't need any cables or adapters for unlocking. The data card can be simply unlocked in the same notebook where a PCMCIA or Express socket exists.
- New models are being added regularly.
- No need to select any COM ports, auto detect function.
- Free updates .

Users with dongle can unlock almost all supported data cards for free, please check full list :

- Full features list and logs needed for dongle users
- Full features list and logs needed for users who don't have a dongle
